

European Copyright Society – Annual conference 2025

Beyond private law?

The regulatory aims of copyright law

University of Glasgow, 16 May 2025

Advanced Research Centre (ARC)

This is a working conference, with four panels preparing future Opinions by the [European Copyright Society](#).

Two open discussions will reflect topical issues relating to the UK's relationship with EU law and the evolving governance of copyright in the context of AI.

The conference is hosted by [CREATE](#) with the support of the [AHRC](#).
